

1. K-LOVE serves me as a resident of my community uplifting, positive encouraging words and music for all the family to hear.
2. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming our community would be negatively impacted, not only by programs needing to be censored, but by me-too programs that already exist on the airwaves.
- 3) The service provide by K-LOVE, a non profit radio station, is only in the public interest; if it were not, the public would not support it. K-Love's wholesome values have a positive and encouraging impact on my community and across all America. Most of all, it is family friendly.
